EXPERIENCE

General Assembly | Remote | 2022

Software Engineer Fellow

Part time Immersive student in the Software Engineering program that included over 400 hours of professional training over 6 months. Utilized a hands-on approach to practice software development methods. Developed a portfolio of individually and collaboratively focused in-class projects, including:

- **Trivia:** Front-end app. Built with JavaScript, HTML and CSS
- **Forrest & Friends Petting Zoo:** Full-Stack CRUD app. Built with JavaScript, EJS, Express, Google OAuth, and Bootstrap
- **Plant it Forward:** Team project. Full-Stack MERN app. Built with React.js, Express

Homestead Funding Corp. | Albany, NY | May 2018 – Current

Team Lead – Senior Loan Opener

- Developed my team by training over 15 new employees on Loan Opening and Appraisal Desk departments
- Created efficiencies and processes by developing and maintaining a manual with instructions for opening and appraisal desk departments
- Helped my team migrate to working 100% remotely by implementing new procedures and sharing of documentation
- Ensured that all Non-Public Personal Information is protected by following all relevant company policies and procedures
